Petitioner, a state prisoner, filed this pro se petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254.

On August 20, 2010, Petitioner filed an in forma pauperis application. He requested that a copy of the first page of the application be sent back to him in a self-addressed stamped envelope that he provided to the Court. On August 27, 2010, the copy was returned to the Court with a notation: "Return to Sender -- Inmate Refused."

Pursuant to Federal Rule of Civil Procedure 41(b), a district court may sua sponte dismiss an action for failure to prosecute or to comply with a court order. See Link v. Wabash R.R., 370 U.S. 626, 633 (1962); McKeever v. Block, 932 F.2d 795, 797 (9th Cir. 1991). But such a dismissal should only be ordered when the failure to comply is unreasonable. See id. A district court should afford the litigant prior notice of its intention to dismiss. See Malone v. United States Postal Serv., 833 F.2d 128, 133 (9th Cir. 1987). Accordingly, it is in the interests of justice and judicial efficiency for the Court to establish whether Petitioner intends to continue to prosecute this action. Petitioner shall file a notice of his continued intent to prosecute no later than **thirty (30) days** of the date of this Order. Failure to do so will result in the dismissal of this action without prejudice for failure to prosecute under Rule 41(b) of the Federal Rules of Civil Procedure. See Malone, 833 F.2d at 133 (the district court should afford the litigant prior notice before dismissing for failure to prosecute).

IT IS SO ORDERED.

DATED: 9/9/10

SAUNDRA BROWN ARMSTRONG
